<Yes option: CCON - Contractor Request Fixed Dates Single Prime - Yes>

- 2.2 Completion Dates. Time is of the essence in this contract. - 2.2 Completion Dates. Time is of the essence in this contract. The Contractor shall achieve Substantial Completion of the Work as expeditiously as the Work will permit, in such a manner as to cause no delay to any of the other contractors employed on the Project or to the completion of the Project as a whole and, subject to adjustments as provided by the Contract Documents, no later than [[Number of days to Substantial Completion from Notice to Proceed Single Prime]] calendar days from the date specified in the Notice to Proceed (the "Substantial Completion Date").

The Contractor shall achieve Final Completion of the Work within thirty (30) days after Substantial Completion. Neither the Substantial Completion Date nor the time for Final Completion shall be changed except by Change Order issued in accordance with the terms of this contract.

<end no option>

<Alternate Clause: CCON – Liquidated Damages Single Prime Alt>

<Yes option: CCON - Liquidated Damages Single Prime - Yes>

- 2.3 Liquidated Damages for Delay.

2.3.A For Delay in Substantial Completion. The parties acknowledge that the Contractor's failure to achieve Substantial Completion of the Work within the Contract Time provided by the Contract Documents will cause the Owner to incur significant actual damages of types and in amounts which are impossible or extremely difficult to calculate and ascertain with certainty and accuracy. Accordingly, in lieu of actual damages for delay in Substantial Completion that is not caused solely by the Owner (hereinafter "Contractor Delay"), the Contractor agrees that liquidated damages will be assessed and recovered by the Owner against Contractor in the event of Contractor Delay and without the Owner being required to present any evidence of the amount or character of actual damages sustained by reason thereof. To the best of their ability and based on information available to them as of the time of entering into this Contract, Contractor and Owner have estimated that the fairest and best approximation of actual damages that will be incurred for each day of Contractor Delay beyond the Contract Time is [[Substantial Completion Delay Per Day Amount in Text Single Prime]] (\$[[Substantial Completion Delay Per Day Amount Single Prime]]) per calendar day unless reduced by the Owner. Therefore, in lieu of actual damages, Contractor shall pay Owner liquidated damages in the aforesaid amount per day for each calendar day of Contractor Delay. Such liquidated damages are intended to represent estimated actual damages and are not intended as a penalty, and Contractor shall pay them to Owner without limiting Owner's right to terminate this agreement for default as provided elsewhere herein.

- 2.3.B When Owner reasonably believes that Substantial Completion will be inexcusably delayed, Owner shall be entitled, but not required, to withhold from any amounts otherwise due Contractor an amount then believed by Owner to be adequate to recover liquidated damages applicable to such delays. If and when Contractor overcomes Contractor Delay for which Owner has withheld payment and Owner reasonably believes that there has been or will be no other event of Contractor Delay for which Owner would be entitled to withhold from amounts otherwise due Contractor, Owner shall promptly release to Contractor those funds withheld, in anticipation of liquidated damages.
- 2.3.C The Construction Manager shall monitor the progress of the Project against construction schedule to achieve Substantial Completion by the Completion Date. Contractor shall coordinate its Work with the Construction Manager to allow for monitoring progress.
- 2.3.D Disputes between or among two or more Subcontractors pertaining to the creation, application, and modification of the Construction Schedule, the furnishing of resources to meet the Construction Schedule, interferences and delays claimed between Subcontractors, default in any of the obligations of another Subcontractor that delays, interferes or otherwise harms Contractor or another Subcontractor, and other coordination and scheduling decisions involving Subcontractors ("coordination decisions") shall be resolved by Contractor consistent with the content and intent of the Contract Documents. The progress of the Work shall not be delayed, by action of Contractor in resolving claims by Subcontractors.
- 2.3.E [Deleted.]
- 2.3.F In the event of a dispute between Contractor and Owner, Contractor's sole and exclusive remedy for all claims is use of and resort to the Claim provisions of the Contract Documents. The remedies provided therein against Owner in connection with actions by Contractor shall be exclusive.
- 2.3.G Contractor shall have no right of action against Owner, Construction Manager or Professional Services Consultant in connection with any dispute, or a decision rendered in connection with a dispute, between or among Contractor and its Subcontractors.
- 2.3.H Contractor shall conform to the scheduling requirements in the Contract Documents and the General Requirements of the Specifications and shall provide for expeditious and practical execution of the Work.
- 2.3.I Owner, the Construction Manager (if any) and Professional Services Consultant will not have control over, or charge of, construction means, methods, techniques, sequences or procedures, or for the safety precautions and programs in connection with the Work, because these are solely Contractor's rights and responsibilities under the Contract Documents. Neither will Owner, the Construction Manager (if any) and Professional Services Consultant be responsible for Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. Neither will Owner, the Construction Manager or Professional Services Consultant have control over or charge of or be responsible for acts or omissions of Contractor, Subcontractors, or their agents or employees, or of any other persons or entities performing portions of the Work.

<End yes option>

<No option: CCON - Contractor Liquidated Damages - No>

- 2.3 Remedies. In the event Contractor fails to perform under this Agreement, including but not limited to failure to achieve Substantial Completion or Final Completion, or both, in the time and manner provided, Owner shall be afforded the right to pursue any and all remedies available at law and equity.

<End no option>

In the event Vendor subcontracts any and all of its duties under this contract to another party and said subcontract has a value or cost of \$10,000 or more over a twelve (12) month period, Vendor agrees that the subcontract shall contain a clause requiring the subVendor to make available, upon written request, to the Secretary of Health and Human Services, the Comptroller General of the United States or any of their duly authorized

KNOW ALL MEN BY THESE PRESENTS: That we [[Single Prime Contractor - Surety Name]], a corporation organized and existing under the laws of the State of [[Single Prime Contractor - Surety Laws of the State of]] and duly authorized to do business in the State of Illinois, as surety ("Surety"), and

[[Name (Primary Second Party)]]

[[Street Line 1 (Primary Second Party)]]

[[City/Town (Primary Second Party)]], [[State/Province (Primary Second Party)]] [[Postal Code (Primary Second Party)]]

a [[Single Prime Contractor - Legal Structure]] organized and duly authorized to do business in the State of Illinois, as principal ("Contractor"), enter into, execute this bond ("Performance Bond"), and firmly bind ourselves unto THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, as Obligee ("Owner"), in the penal sum of [[Single Prime Contract - Total Contract Amount Written in Words]] (\$[[Value]]), as of the date of the last signature of the parties hereto.

WHEREAS, the Contractor has executed a contract with the Owner herewith ("Construction Contract") for construction of [[Project Name (FCPWeb Name Preferred)]] ([[Capital Project Number (FCPWeb Project # Preferred)]]) at [[Project Location]] ("Project"); and,

WHEREAS, the Owner has required the Contractor to furnish this Performance Bond containing the terms and conditions set forth herein as a condition to executing the Construction Contract with the Contractor;

NOW THEREFORE, the Surety and the Contractor, both jointly and severally, and for themselves, their heirs, administrators, executors, successors, and assigns agree:

- 1 The Construction Contract is hereby incorporated herein and by reference made a part hereof to the same extent and effect as though it was copied verbatim herein. The Surety and the Contractor are bound for the full performance of the Construction Contract including without exception all of its terms and conditions, both express and implied.
- 2 If Owner believes there is a possibility that Contractor will not fully perform, Owner reserves the right to contact Surety to notify Surety of potential default and seek preventative action from Surety. If Owner, by written notice to the Contractor and the Surety, declares the Contractor to be in default and terminates the right of the Contractor to proceed, the Surety shall, within 15 working days, proceed to take one, or at its option, more than one of the following courses of action:
 - 2.1 Complete full performance of the Construction Contract, by using a completing contractor jointly selected by the Surety and Owner, including, without limitation, correction of defective and nonconforming work performed by or on behalf of the Contractor, pursuant to a written takeover agreement.
 - 2.2 During such performance by the Surety the Owner shall pay the Surety from its own funds only such sums as would have been due and payable to the Contractor under the Construction Contract as and when they would have been due and payable to the Contractor in the absence of the default and termination.
 - 2.3 Applicable law permitting, and with the prior written consent of the Owner, obtain bids or proposals from contractors previously identified as being acceptable to the Owner, for full performance of the Construction Contract. The Surety shall furnish the Owner a copy of such bids or proposals upon receipt of same. The Surety shall promptly select, with the agreement of the Owner, the best responsive bid or proposal and shall promptly tender the contractor submitting it, together with a contract for fulfillment and completion of the Construction Contract executed by the completing contractor, to the Owner for the Owner's execution. Upon execution by the Owner of the contract for fulfillment and completion of the Construction Contract, the completing contractor shall furnish to the Owner a performance bond and a separate payment bond, each in the form of those bonds hereby furnished to the Owner for the Project by the Contractor. Each such bond shall be in the

penal sum of the (1) fixed price for completion, (2) guaranteed maximum price for completion, or (3) estimated price for completion, whichever is applicable. The Owner shall pay the completing contractor from its own funds only such sums as would have been due and payable to the Contractor under the Construction Contract as and when they would have been due and payable to the Contractor in the absence of the default and termination. To the extent that the Owner is obligated to pay the completing contractor sums which would not have then been due and payable to the Contractor under the Construction Contract, the Surety shall provide the Owner with such sums in a sufficiently timely manner that the Owner can utilize such sums in making timely payment to the completing contractor; or,

- 2.4 Take any and all other acts, if any, mutually agreed upon in writing by the Owner and the Surety.
- 3 The Surety shall respond to the Notice within 15 working days of receipt indicating the course of action it intends to take or advising that it requires more time to investigate the default and selection a course of action. If the Surety requires more than 15 working days to investigate the default and select a course of action or if the Surety elects to complete the work with a completing contractor that is not prepared to commence performance within 15 working days after receipt of Notice, and if Owner determines that it is in the best interest of Owner to maintain progress of the work, the Owner may continue to work until the completing contractor is prepared to commence performance. Unless otherwise agreed to by Owner, in no case may the Surety take longer than 30 working days to advise Owner on the course of action it intends to take. The Surety shall be liable for reasonable costs incurred by Owner to maintain the progress to the extent the costs exceed the unpaid sums as would have been due and payable to the Contractor under the Construction Contract in absence of the default and termination, subject to the penal sum of the bond.
- 4 In addition to those duties set forth hereinabove, the Surety shall promptly pay the Owner all loss, costs, and expenses resulting from the Contractor's default(s), including, without limitation, fees, expenses, and costs for architects, engineers, consultants, testing, surveying and attorneys, liquidated or actual damages, as applicable, for delay in completion of the Project, and fees, expenses and costs incurred at the direction, request, or as a result of the acts or omissions of the Surety.
- 5 In no event shall the Surety be obligated to the Owner hereunder for any sum in excess of the Penal Sum.
- 6 The Surety waives notice of any changes to the Construction Contract including, without limitation, changes in the contract time, the contract price, or the work to be performed.
- 7 This Performance Bond is provided by the Surety for the sole and exclusive benefit of the Owner and, if applicable, any dual obligee designated by rider attached hereto, together with their heirs, administrators, executors, successors or assigns. No other party, person or entity shall have any rights against the Surety hereunder.
