

University of Illinois Work-in-Progress/Work History (Previous 5 Years)

Instructions:

- 1 Each Professional Service Consultant (PSC) including sub consultants shall provide work-in-progress and work history for the previous 5 years with the University of Illinois (all campuses). Please use the submittal date for this Request for Professional Services (QBS) and the contract date for previous work to determine the work-in-progress/work history to list on this form.
- 2 Provide a separate form for each consultant and sub consultant indicating the value of the work each firm is responsible for and the Total Contract Amount, if available.
- 3 Include projects that are completed through the Capital Development Board (CDB) for the University of Illinois.
- 4 Professional Service Consultant may provide this information on their own form in the same general format and providing the same data.
