UNIVERSITY OF ILLINOIS
PROFESSIONAL SERVICES RETAINER AGREEMENT POLICY
As of 11/2020

PURPOSE
During the course of a fiscal year, a number of small capital improvement projects occur that require professional services in an expedited fashion. The purpose of obtaining retainer professional services is to improve the timing of delivery of services for these projects. The University has determined that it is in its best interest to retain the services of professional consultants to be available to assist on these projects. Firms under contract and “on call” will thus be available to respond to assist with a project on a timely basis.

POLICY

• Procurement of retainer professional services agreements will be in compliance with the regulations of the Higher Education Procurement Rules of the Illinois Procurement Code, the University of Illinois Qualifications Based Selection Policy and the University of Illinois RFP Consultant Selection Policy. If the campus construction unit intends to hire more than one firm through a single procurement posting, the post must clearly state such intention and identify the selection criteria. Retainer professional services agreements and associated work orders must be initiated and coordinated by the campus construction unit.

• Each agreement will be for one year with options to annually renew for up to three additional years, for a total of 4 years.

• The Special Assistant to the President will approve firms recommended by the selection committee for retainer contracts. The UIC Vice Chancellor for Administrative Services, the UIS Associate Chancellor of Administrative Affairs, or the UIUC Executive Director of Facilities and Services and the Special Assistant to the President will approve the renewals and any renegotiated hourly rates.

• Unless otherwise stated in the professional services agreement and/or the award posted to the State Procurement Bulletin, retainer agreements may be used on individual projects with total project costs less than $5,000,000 or with professional services fees up to $750,000 per project. Any changes shall be approved in writing by the Special Assistant to the President.

• Unless otherwise stated in the professional services agreement and/or the award posted to the State Procurement Bulletin, any work that causes the cumulative amount of award on an individual retainer contract to exceed $1,000,000 in fees in the same contract year will require Board of Trustees approval.

• Prior to executing a work order for services, the Campus Construction Unit must have completed a Project Data Summary, secured necessary project approval, and identified the source of funds for the project, including the account number against which the project will be billed, and clearly defined the scope, schedule and budget for the project.

• A Retainer Contract Work Order (see Attachment B) will be completed for each individual project.

• For individual pay requests, see attached Guidelines (Attachment A).

• Reporting will be generated by the University Office of Capital Programs and Real Estate Services from data in EDW as requested.

MODIFICATIONS
This policy may not be modified without the approval of the Comptroller.
The appropriate documentation is submitted to the Campus Construction Unit and will consist of the following:

- A separate invoice for each work order being referenced and submitted for payment.
- A Professional Services Billing form Project Sheet for each work order, with approved services listed in the description section (Attachment C).
- Time sheets for work paid on an hourly rate must be attached to the respective Professional Services Billing form.
- Reimbursables documentation for all expenses must be attached to the respective Professional Services Billing form (as per Attachment A of original agreement).

Additional services beyond the work order will be approved via the University’s Work Order form. Additional services must be identified by the work order number and listed individually on the respective Professional Services Billing form.

Once a project is complete, written notification is given to the Retainer Consultant. Invoices for work beyond the completion date of the work order will not be approved.
