

University of Illinois

PROFESSIONAL and ARTISTIC SERVICES REQUEST FOR PROPOSALS SELECTION POLICY Including Construction Management Services and Landscape Architecture Services

The University of Illinois (“University”) undertakes, both in funding and management, capital projects at each of its three campuses. The University often determines that specific construction projects may benefit from the utilization of certain professional and artistic services. This policy sets forth the process and procedures related to securing these services.

PROFESSIONAL AND ARTISTIC SERVICES SELECTION

The selection of professional and artistic services shall be undertaken in accordance with the Illinois Procurement Code, 30 ILCS 500 Procurement of Professional & Artistic Services, The Joint Committee on Administrative Rules section 4.2035 (Competitive Selection procedures for Professional and Artistic Services), and section 3005(g) Construction and Construction and Construction Related Professional Services.

The process is a multi-step selection process to receive submissions to determine the best qualified proposers followed by discussions based on the criteria set forth in the solicitation to ultimately negotiate a contract to perform the required services. Refer to Professional and Artistic Services RFP Reference Documents for pertinent forms.

Process selection as follows:

I. EVALUATION COMMITTEE AND CRITERIA

A. Identify Evaluation Committee. The Professional Services Evaluation Committee (“Committee”) shall be comprised of three to eight individuals and will include, at a minimum, representatives of the Campus Construction Unit (“CCU”) and a representative for the client. The Committee shall be chaired by a representative of the CCU. The University Office of Capital Programs and Real Estate Services (“UOCP&RES”) shall have a representative on the Committee for projects that require approval by the Board of Trustees (“Board”). UOCP&RES may have a representative on the Committee for projects that require the approval of the Senior Associate Vice President of Business & Finance (“SAVPBF”) at the discretion of the SAVPBF. UOCP&RES may have a representative on the Committee for other projects at the discretion of the SAVPBF. Depending on the nature of the project, a representative of the physical plant may also be included on the committee. Each Committee member shall receive one vote. For Master Plan projects, the Committee shall be chaired by a representative of UOCP&RES. A sample checklist for the Committee Chair is attached.

1. *The Vice Chancellor for Administrative Services at UIC, the Executive Director of Facilities and Services at Urbana, or the Associate Chancellor of Administrative Affairs at UIS shall approve all representatives to serve on the Committee.*

Committee members must attend all Committee meetings to vote. Changes to the Committee shall be approved by the CCU.

- 2. For CDB managed projects, the Committee Chair shall offer CDB representation on the Committee.*
- 3. Questions from vendors shall be answered by the Committee Chair, or designee.*

B. Develop Selection Criteria. Specific qualifications-based criteria shall be developed by the Committee Chair and reviewed by the Committee for each project. At a minimum, criteria shall include the evaluation of the firm's plan for performing the required services, evaluation of the firm's past performance of similar work, evaluation of the firm's ability to perform the services as reflected by technical training and education, general experience, specific experience in providing the required services and the qualifications and abilities of personnel proposed to be assigned to perform the services, and evaluation of the firm's personnel, equipment, and facilities to perform the services currently available or demonstrated to be made available at the time of contracting.

Additional criteria shall directly relate to the proposed scope of services and as allowed under the Act and Regulations. To demonstrate relevant experience, firms submitting for the project shall include examples of deliverables they have provided for previous projects that show the typical standard of professional care they produce for their clients. Submittals should also include examples of previous deliverables they produced during the construction phase of similar projects. Examples may include but are not limited to: schedule analysis during construction, progress meeting minutes, copies of monthly reports, daily progress reports, cash flow reports, and procurement logs. The document submittals should provide a good indication of attention to detail that these firms have typically given on previous projects.

- 1. On CDB managed projects, all University recommended firms and their subconsultants shall be pre-qualified as required by CDB prior to the CDB's selection approval consideration.*
- 2. The Business Enterprise for Minorities, Woman and Persons with Disabilities Act (30 ILCS 575 et. Seq.) allows selection criteria for the initial evaluation to include a criterion to give points for a team's Minority Business Enterprise (MBE), Woman Business Enterprise (WBE) or Persons with Disabilities Enterprise (PBE) status. Points should be awarded based on the level of MBE/WBE/PBE participation of the consultant and their subconsultants combined. To receive points for MBE/WBE/PBE participation, the firm must be certified by CMS. MBE/WBE/PBE points may be filled out based on the initial evaluation table prior to the initial evaluation form being distributed to the selection Committee.*
- 3. A selection criterion shall be included that gives points to a firm with Veteran Owned Small Business (VOSB) or Service Disabled Veteran Owned Small Business (SDVOB) status as certified by CMS.*

4. *Initial selection criteria must be the same as the criteria listed in the advertised request for professional services.*

C. Committee Charge. The Committee shall perform the tasks as described in the policy and submit to the appropriate CCU, a preliminary ranking of, in order of qualification, more than one most qualified firm considered as best meeting the selection criteria for the project. For projects that require the approval of the Board or the SAVPBF, the final ranking and selection will be made by the SAVPBF after consultation with the Committee. The SAVPBF must provide a written explanation to be maintained in the project file if the recommendation of the Committee is not followed.

II. INITIAL EVALUATION of FIRMS

A. Advertisement. When project-specific selection criteria have been identified, an advertisement for a RFP for professional services shall be prepared by the CCU and forwarded to UOCP&RES for posting on the Illinois Procurement Bulletin/Public Institutions of Higher Education web site.

Advertisement Policy and Requirements:

1. *The advertisement shall be posted for a minimum of 15 days.*
2. *The advertisement shall state the initial evaluation criteria, the discussion meeting evaluation criteria, and give information regarding the submittal and selection process. The criteria are to be listed in priority order.*
3. *All advertisements shall be prepared on the Public Notice of Construction Related Professional Services form via Upside Contract system. (see attached sample)*
4. *Project approval must be current prior to submitting advertisement request.*
5. *Proposals shall include pricing proposals in a separate envelope.*
6. *Proposals shall be opened publicly.*
7. *If a request must be re-advertised, canceled or modified, contact UOCP&RES.*

B. Submittal of Statements of Qualifications. Firms shall submit statements of qualifications as prescribed in the advertisement. The official submittal is the electronic copy submitted in PRZM. *If PRZM does not receive the submittals properly, the Committee Chair must notify the AITS Help Desk to correct the problem.*

C. Review of Submittals. The Committee Chair or a delegate shall determine which submittals meet the minimum qualifications requested in the advertisement. The Committee shall review all the submittals meeting the minimum qualifications requested

in the advertisement. Pricing proposals shall not be reviewed until after ranking the best qualified proposers after the discussion meetings. A sample Initial Evaluation-Minimum Qualifications for evaluating submittals is attached.

Committee Chair shall review the Professional Services Consultant's (PSC) prior performance evaluation records for the past 3 years of any submitted firm that has had prior experience with the University. Committee Chair should check the Vendor Evaluation Module within the Vendor Services Application (VSA) for the stored performance evaluations. If a past substantial completion performance evaluation indicates an average composite score less than 3, the firm must be disqualified.

D. Verify Board of Elections Registration of Prime Firm. Committee Chair shall verify that all submitted firms are currently registered with the Board of Elections by checking the on-line registry. Any firm that is not registered must be disqualified.

E. Initial Evaluation. Prior to reviewing submittals, each selection committee member shall complete the Procurement Participation Form located in the PSC Selection Process (PSP). If any member is unwilling or unable to complete this Agreement, that committee member shall be removed from the selection committee by the committee chair in PSP and PRZM. After completion of the Procurement Participation Form, each member of the Committee acting independently shall rank the firms on the initial evaluation form via PSP. Estimates of costs or proposals in terms of dollars, hours required, percentage of construction cost or any other measure of compensation shall not be considered. Composite scoring is required to be completed **prior** to the Committee's discussing a recommendation. The Committee is expected to arrive at a consensus for a list of more than one firm. If consensus cannot be reached, a majority vote shall decide. There may be circumstances where it is appropriate for a Committee to recommend more or fewer firms.

F. Reference Phone Calls. After consultation with the Committee regarding issues and concerns, the Committee Chair must make reference calls on all initially selected firms. The same questions must be asked of each selected firm. The results of the reference calls shall be recorded by the Committee Chair and made available to all members of the Committee for their use. If a reference call results in information that may influence the Committee's decision to initially select a firm, the Committee Chair shall call another meeting to discuss. If the Committee decides to invite another firm to the discussion meeting, the Committee shall invite the firm ranked next highest in the initial evaluation.

III. SELECTION RECOMMENDATION

A. Determination of Need to Hold Discussion Meetings. The Committee shall determine if it is in the best interest of the University to have a discussion meeting with the initially selected firms. If the Committee determines that a discussion meeting is in the best interest of the University, the Committee must meet with all initially selected firms.

Reasons for not meeting with the initially selected firms must be set forth in writing and may include that a particular firm is obviously best qualified for a specific project. If the

Committee determines a discussion meeting is unnecessary, they will conclude their evaluation responsibilities for the project by ranking the top firms in priority order and filing a written executive summary of their recommendation.

1. *The Committee's recommendation for initially selected firms shall be submitted electronically for approval by the appropriate CCU on the Approval Form for Firms to Be Invited to Discussion Meeting along with the Initial Evaluation forms and the Composite Evaluation form. For projects that must be approved by the Board or the SAVPBF, the Campus's recommendation shall be sent electronically to the SAVPBF for evaluation and for a final decision using the Approval Form for Firms to Be Invited to Discussion Meeting form (see attached sample). If the CCU or SAVPBF does not follow the recommendation of the Committee, a written explanation must be provided.*
2. *If an out-of-state firm is recommended by the Committee to be initially selected, the recommendation shall be approved by the SAVPBF before the initial selection process is declared complete and prior to any firms being notified.*
3. *Firms ranked without discussion meetings shall be approved by the SAVPBF prior to proceeding with recommendation using the Sample Letter for Discussion Meeting Waiver.*

B. Develop Discussion Meeting Questions. The Committee shall review the list of questions or topics relevant to the project listed in the advertisement. A sample discussion meeting evaluation form is attached. The questions or topics developed by the Committee and listed in the advertisement are to be asked at the meeting and submit those to the team prior to the meeting.

C. Notify Firms Of A Discussion Meeting. The firms to attend a discussion meeting are notified by the Committee Chair. The discussion meeting questions or topics developed by the Committee and listed in the advertisement shall be included in this notification along with the meeting time, place, and agenda, as well as other information that the Committee deems important. The Committee Chair shall notify firms not selected for a discussion meeting using the Sample Letter for the Team Not Selected for a Discussion Meeting.

The questions or topics used to evaluate the firms selected for a discussion meeting are to be listed in priority order. The Committee shall assign point values for each question, topic or criteria prior to the discussion meetings. A minimum value for each criteria shall be 100 points

D. Meet With Initially Selected Firms. If the Committee meets with the initially selected firms, the meeting agenda and the process shall be uniform in an effort to conduct fair and equal evaluations. If a team wishes to make changes to personnel or substitute a consultant from the information submitted, the firm must submit the request in writing to the Committee Chair 48 hours prior to a discussion meeting with an explanation why the

change is necessary. The firm may be disqualified from consideration at the discretion of the Committee. A firm may, however, add a consultant to a team in addition to the consultants listed in the submittals at the discretion of the firm at any time and shall notify the Committee Chair upon doing so. Professional cost/fees shall not be discussed at the meeting.

- E. Recommend and Rank Firms.** After the discussion meeting, each Committee member must evaluate the firms based on the discussion meeting questions on the electronic Discussion Meeting Evaluation form. Individual evaluation scoring forms must be completed prior to the Committees discussion and ranking of the firms. Composite scoring is required to be completed **prior** to the Committee discussing a recommendation. The evaluation committee shall strive for a consensus recommendation. In the absence of consensus, the Committee shall conduct a confidential vote in accordance with its own procedure, and determine a ranking by majority vote. The Committee Chair shall preside over all deliberations, and shall have an equal voice and vote. The electronic Discussion Meeting Evaluation form shall also be used to provide a composite evaluation of all of the individual Committee members' evaluations.

The Committee Chair shall prepare a written executive summary electronically using the Approval Form to Negotiate with Recommended Professional Services Consultant From Discussion Meeting which lists all Committee members, and the results of the Committee as a whole or majority rating of the firms including strengths or weakness of the top firms. Submittal will also include the Discussion Meeting Evaluation forms including the Composite Discussion Meeting Evaluation. The summary will also include the consultant and subconsultants location, the MBE/WBE/PBE status and the VOSB/SDVOSB status of the consultant and subconsultants, and the estimated percentage of work for the consultant and subconsultants. Estimates of costs or proposals in terms of dollars, hours required, percentage of construction cost or any other measure of compensation may not be considered or included in the summary.

- F. Notify Firms.** The Committee Chair shall electronically forward the Approval Form to Negotiate with Recommended Professional Services Consultant From Discussion Meeting of the Committee's rankings for review and comment by the Vice Chancellor for Administration at UIC, the Executive Director of Facilities and Services at Urbana, or the Associate Chancellor of Administrative Affairs at UIS. Once the Campus has approved, the executive summary will be sent electronically to UOCP&RES for review by the SAVPBF for projects that must be approved by the Board or approved by the SAVPBF. After acceptance, the selected firm shall be notified by the Committee Chair using the Sample Letter for Firm Selected from Discussion Meeting. Firms not selected shall be notified that they were not chosen for further consideration using the Firms Not Selected from Discussion Meeting letter (see sample letter). If a firm requests comments on the discussion meeting, they shall be given by the Committee Chair.

IV. FINAL SELECTION APPROVAL

NOTE: If the project is a Capital Development Board (CDB) managed project, the University's Board of Trustees or their delegated designees need to approve the selection and forward it to CDB through UOCP&RES for final approval, fee negotiations, and contracting.

A. University Of Illinois Contract Negotiation (if not a CDB managed project)

1. After the firms are ranked and approved, the Committee Chair shall open the sealed price proposals and tabulate. If the low price is submitted by the best qualified vendor, the award may be made to the vendor. If the price of the best qualified vendor is not the lowest, but it does not exceed \$25,000, the SPO may award to that vendor. If the price of the best qualified vendor exceeds \$25,000, the SPO must state why a vendor other than the low priced vendor was selected and that determination shall be published in the Bulletin.
2. The Committee Chair shall negotiate a scope of services consistent with the advertisement for professional services, a list of deliverables, and a fee with the top ranked firm. If acceptable scope, deliverables, and fee cannot be negotiated, further negotiations with this firm shall be terminated. The second ranked firm shall be contacted and negotiations begin with that firm. This process shall be continued until a contract is successfully negotiated. If the Committee Chair is unable to negotiate a contract with any of the firms, the procurement shall be cancelled and the process may be restarted beginning with re-advertising for services.

B. Professional Service Approval Request. The Committee Chair shall prepare and electronically circulate the Professional Services Approval Request Form. Should a Board item be required, the CCU shall prepare a draft Board Item and forward to UOCP&RES.

The Committee's recommendation will be submitted electronically for approval on the Professional Services Approval Request. The recommendation will be submitted electronically for evaluation and a final decision to the Vice Chancellor for Administration at UIC, the Executive Director of Facilities and Services at Urbana, or the Associate Chancellor of Administrative Affairs at UIS. For projects that must be approved by the Board or the SAVPBF, the Campus's recommendation will be sent electronically to the SAVPBF for evaluation and for a final decision.

Once the Campus and the University approve the selection, a request for approval describing the reason for the proposed contract award decision will be made by the UOCP&RES to the State CPO or SPO. The State CPO or SPO may, as authorized in the Procurement Code, participate in the procurement prior to the request for approval.

All professional services employment shall be reported to UOCP&RES on the Required Procurement Posting Information form.

Pursuant to 30/ILCS 50-39, until the time of contract, communications between the campus construction units (and/or any other state employees involved in the discussions) and the firm shall be reported according to the requirements of the law.

C. Performance Evaluation. The CCU shall evaluate the performance of a PSC firm upon the completion of a contract.

All firms selected and contracted under the Professional and Artistic Services Selections policy, shall be formally evaluated per the PSC Evaluation Process

Additional evaluations may be completed at the discretion of each Project Manager. The following listed evaluations are considered optional and are intended to be used as a tool to provide feedback to the firm at different phases in the project.

Optional Evaluations: (Use Consultant Evaluation Optional form)

- *Standard Contract: at the end of Preconstruction phase*
- *Standard Contract: at the end of each Design phase (SD, DD, and CD).*
- *Standard Contract: at the end of the Post-Construction phase*

The results of the evaluation shall be given to the firm evaluated and each firm shall have an opportunity to respond in writing. All evaluations and responses from the firms shall be kept on file, and not made available to persons or firms outside the University. The evaluations and responses are exempt from the Freedom of Information Act. Any requests for information on firm's performance should be reviewed with Office of University Counsel.

An additional copy of the evaluation shall be stored electronically with access by designated people at all three campuses. The evaluations and PSC responses may be used in the PSC Selection Process for future projects. Information about the Professional Services Consultant Evaluation Summary and Electronic Storage Process is attached.

D. Project File Requirements. For all Professional and Artistic Services Selections, the CCU shall have a project file that contains:

1. A copy of the advertisement. (Upside Contract System)
2. All submitted booklets/letters of interest in response to the advertisement (PRZM).
3. Initial Evaluation forms for each Committee member. (PSC Selection Process)
4. Initial Evaluation composite form. (PSC Selection Process)
5. Approval Form for Firms to Be Invited to Discussion Meeting. (PSC Selection Process)
6. Signed copies of the letters sent to the firms to be invited to discussion meeting and not to be invited to discussion meeting.
7. Discussion Meeting Evaluation forms for each Committee member. (PSC Selection Process)
8. Discussion Meeting Composite Evaluation form. (PSC Selection Process)

9. Approval Form to Negotiate with Recommended Professional Services Consultant From Discussion Meeting. (PSC Selection Process)
10. Signed copies of the letters sent to the firms not selected from the discussion meetings and the firm recommended to be selected.
11. Professional Services Approval Request form. (PSC Selection Process)
12. Signed approval form by the State's COP or SPO (The e mail from UOCP&RES stating that the PPB has waived the 30 day review period is acceptable since PPB will not review until the CPO or SPO approves.)
13. A copy of the posting for the award of the contract.
14. Copies of the Professional Services Consultant's evaluations. (VSA)

E. Review. The UOCP&RES will produce a semi-annual review of Professional and Artistic Services Selections at each campus.

Professional and Artistic Services Selection

COMMITTEE CHAIR CHECKLIST

	TASK	Completion Date
1.	Verify project approvals have been completed	
2.	Form the Evaluation Committee with input from the planner/project manager	
3.	Review program statement with client for verification (knowledge transfer). Share statement with selection committee (optional)	
4.	Prepare Initial Evaluation Criteria and Discussion Meeting Questions with input from evaluation committee	
5.	Determine Project Classification and Type with the planner/project manager based on the Scope and Fee Negotiation Policy (if applicable)	
6.	Prepare PSC advertisement and file attachments (program) via Upside Contract Management System, and submit to UOCP&RES for review and posting to IPHEC website	
7.	Within PRZM: Create project (required for electronic PSC submittals to be uploaded); Complete AE Solicitation worksheet; After the solicitation is closed, add the committee members to the team management	
8.	Publically open submittals (except price) as stated in the advertisement	
9.	Enter any additional evaluation criteria and discussion meeting questions that were listed on the advertisement via PSP	
10.	Prescreen submittals received to verify minimum qualifications are met via PSP	
11.	Check BOE on-line registry for all submitted firms	
12.	Check prior performance evaluations on firms that have done work with the University of Illinois previously via VSA/CAPS	
13.	Verify MBE, WBE, WMBE, PBE, and VOSB/SDVOSB certification, determine points based on policy (part of prescreening), and add the points to Initial Evaluation Minimum Qualifications prior to sending it to committee via PSP	
14.	Check prior performance evaluations on firms that have done work with the University of Illinois previously via VSA/CAPS	
15.	Each selection committee member shall complete the Confidentiality Agreement located in the PSP. If any member is unwilling or unable to complete this Agreement, that committee member shall be removed from the selection committee by the committee chair in PSP and PRZM.	
16.	Distribute PSC submittals along with Initial Evaluation Form for review prior to initial evaluation meeting. Individual initial evaluation form must be submitted via PSP	
17.	Schedule Initial Evaluation meeting, compile composite scores via PSP, and facilitate a consensus for firms to be invited to a discussion meeting	
18.	Confirm discussion meeting questions that were listed on the advertisement with committee members	
19.	Check references for all firms to be invited	
20.	Submit Approval Form for Firms to Be Invited to Discussion Meeting via PSP	

Professional and Artistic Services Selection

COMMITTEE CHAIR CHECKLIST

21.	Notify selected firms and schedule meetings via phone and letter. Include Discussion Meeting Questions	
22.	Notify unsuccessful firms via letter	
23.	Schedule final evaluation committee meeting (to be after discussion meeting) to decide a recommendation	
24.	Enter Discussion Meeting questions and distribute Discussion Meeting Evaluation Form via PSP. Individual Discussion Meeting Evaluation Form must be submitted via PSP	
25.	Act as chair during Discussion Meetings with introductions and brief overview of process	
26.	Compile composite scores via PSP and facilitate final evaluation committee meeting to determine a recommendation in rank order	
27.	Open, tabulate, and upload the sealed pricing proposals to Approval Form to Negotiate with Recommended Professional Services Consultant from Discussion Meeting via PSP	
28.	Submit Approval Form to Negotiate with Recommended Professional Services Consultant from Discussion Meeting via PSP	
29.	Notify successful firm of selection and request proposal	
30.	Review proposal and determine fee range with campus unit (if Applicable)	
31.	Negotiate with approved firm (contract, scope, schedule and fee)	
32.	Submit Professional Services Approval Request via PSP; justify if lowest fee was not submitted by selected firm and notify UOCP&RES	
33.	Send negotiated contract to PSC for signatures with letter indicating not to begin work until they receive a fully executed contract.	
34.	Prepare Board item for next meeting and approval (if applicable)	
35.	Notify unsuccessful interviewed firms via letter	
36.	Submit award to UOCP&RES for publishing to IPHEC website/submit to PPB	
37.	Start contract routing for University signatures	
38.	Issue fully executed agreement to PSC	
39.	PSC starts work	
40.	Negotiate potential contract Amendments	
41.	Negotiate any contract disputes	
42.	Perform performance evaluations as required	

University of Illinois at **CAMPUS**RFP #RFP **project number**Request for Proposal: **Project Name****Consultant Profession ("Consultant") Selection****First published: Date**

Sealed proposals will be accepted at the address below until 4:00 PM prevailing time on:
DATE

Proposal

The Proposal shall be submitted in separate parts clearly marked as follows:

Part A: General Information (# copies)**Part B: Previous Project Experience (# copies)****Part C: Project Scope of Services and Organization (# copies)****Part D: Sealed Compensation Proposal (# copies)**

Send all proposals to:

The Board of Trustees of the University of Illinois

c/o **Unit**

Street

City, State, Zip Code

Attention: **Responsible individual, e-mail address, and phone number**

Submission and Opening of Qualification Statement:

Each firm will be required to submit their proposals by the deadline referenced above.

Proposal parts A, B and C combined (# copies) and separate Sealed Compensation Proposal

Part D (# copies) shall be delivered to the address shown above. Immediately following the

deadline date and time, all proposals will be publicly opened in **Room, Street Address, City,**

State, Zip code. Sealed Compensation Proposal Part D will remain sealed until a later date.

The electronic copy of the proposal (Parts A, B and C only) shall be submitted in pdf format, using the following URL to complete and submit the information. **Specific Campus PRZM**

URL address **The electronic copy shall be submitted using the web at the URL listed**

and will not be accepted via e-mail. The electronic submittal is the official submittal of

record. Firm shall be disqualified if an electronic submittal is not received. Firms shall notify

contact person above of any technical problems. **Part D, Sealed Compensation Proposal,**

must not be submitted electronically.

Description of Project:

Text (including a project schedule)

Project Location:

Note: The project will be administered using the University's web-based project management system.

Minimum user requirements are as follows:

- Internet Browser

- Valid e-mail account
- Computer-Aided Drawing (CAD) viewer

Outline of Consultant Services:

Consultant services required under this contract may include, but is not limited to, the following:

Description of Services

Minimum Qualifications:

The University of Illinois encourages firms to submit proposals for providing Consultant services. Only those firms that meet the following qualifications will be considered for the short list discussion selection:

- Professional staff licensed or registered and authorized to practice in the State of Illinois as applicable
- Prequalified with the State of Illinois Capital Development Board as applicable (Processing may take up to 30 days)
- Acceptance of the terms and conditions of the University of Illinois' provisions in:
 - Standard Professional Agreement
 - Errors and Omissions Policy
 - Scope and Fee Policy
- Registered to practice as a Professional Design Firm with the Illinois Department of Financial and Professional Regulation as applicable (At time of discussion meeting)
- Certifications & Statutory Requirements and Financial Disclosures & Conflicts of Interest
- Registered with the State Board of Elections at time of proposal as required by 30 ILCS 500/20-160
- All vendors are required to comply with applicable provisions of the Illinois Procurement Code (30 ILCS 500/1 et seq)
- For a prime firm that has prior experience with the University of Illinois, a minimum average score of 3 on performance evaluations over the last three years
- Vendor must register with the Secretary of State of Illinois and be in "Good Standing" where "Good Standing" is defined as having complied with all obligations of the State of Illinois to conduct business within the State, the vendor's registration with the Secretary of State is current and "Active", and the vendor is not subject to any form of sanction, suspension, or disciplinary censure by the State. "Active" status MUST be in place at the time of contract.

Evaluation Criteria:

The following project-related criteria will be used to evaluate the firms requesting consideration for selection and is listed in order of importance:

- The plan for performing the required services
- MBE/WBE/WMBE/PBE participation of Consultant(s) and subconsultants with a goal of 20% of the total value of the professional services agreement, including but not limited to, basic services, supplemental services and reimbursables. Illinois Department of Central Management Services (CMS) Business Enterprise Program certification is the basis for determination of diversity status.

- VOSB/SDVOSB participation of Consultant and subconsultants with a goal of 3% of the total value of the professional services agreement, including but not limited to, basic services, supplemental services and reimbursables. Illinois Department of Central Management Services (CMS) Veteran Business Program certification is the basis for determination of VOSB/SDVOSB status.
- Ability to perform the services as reflected by the technical training and education, general experience, specific experience in providing the required services and abilities of personnel proposed to be assigned to perform the services
- A record of past performance of similar work
- The personnel, equipment and facilities to perform the services currently available or demonstrated to be made available at the time of contracting
- Other specific requirements as described by the CCU

The Proposal should be organized as follows:

Part A – General Information:

Tab 1: Introduction letter

Tab 2: General description of firm, philosophy, accomplishments, value

Tab 3: General description of project understanding and challenges

Tab 4: Provide relevant project experience including complete project descriptions and Minority, Women, and Persons with Disabilities Business Enterprises (MBE/WBE/WMBE/PBE) and Veteran Owned Small Business Enterprise and Service Disabled Veteran Owned Small Business Enterprise (VOSB/SDVOSB) participation for comparable projects.

Tab 5: Client references (minimum of 3 required – including name, title, address, telephone number, related project and date, reference’s participation in project)

Tab 6: Contractor references (minimum of 5 required – including name, title, address, telephone number, related project and date, reference's participation in project)

Tab 7: PSC (AE) references (minimum of 5 required – including name, title, address, telephone number, related project and date, reference's participation in project)

Tab 8: Completed and signed Certifications and Statutory Requirements form and completed and signed Financial Disclosures and Conflicts of Interest form(s)
 Note: In lieu of submitting these forms in each proposal and in PRZM, the proposer may submit a single completed and signed copy of the forms in a sealed envelope with the required hard copies of the proposal to the contact person listed in this advertisement.

Tab 9: Provide copies from selected projects demonstrating the firm’s typical practice of the following deliverables:

- **Descriptions provided by Campus Construction Unit**

Tab 10: MBE/WBE/WMBE/PBE/VOSB/SDVOSB information for Consultant and subconsultant(s). Only firms certified with the Illinois Department of Central Management Services (CMS) are acceptable. A current and valid print version of the vendor’s CMS Business Enterprise Program (BEP) Vendor Directory results is printed proof of the CMS certification for each identified MBE/WBE/WMBE/PBE/VOSB/SDVOSB vendor. This document includes the vendor name, address, ethnicity, county, contact information, and certification renewal date and expiration date. Certification must be current and valid at the time of the proposal.

The IL CMS BEP Vendor Directories can be found at

Tab 11: 5 year audited financial statement

Tab 12: Additional Information on all sub-consultants as appropriate.

Part B – Previous Project Experience:

Firms shall submit descriptions of the last 3-5 facilities that most clearly match the scope of this project where the firm provided phase services.

Information should include the following:

- Project description
- Scope
- Unique characteristics
- Unique challenges
- Specific accomplishments
- Project location
- PSC firm, project manager, project designer
- Urban or suburban setting
- Site constraints
- Size/GSF/NSF
- Number of stories
- Schedules
 - Original
 - Actual
 - Schedule proposals should include activities from beginning to end of construction and include the following activities: Construction, Substantial Completion, Occupancy, and Final Completion.
- Project budget
- Construction budget
- Cost estimating
 - Cost/GSF @ original estimate
 - Cost/GSF @ time of bid
 - Cost/GSF @ final completion
- Cost of all changes
- Final construction cost
- Number of change orders
- Percentage of changes due to changes in project scope
- Construction delivery method (GC, CM, other)
- Number of requests for information (RFIs)
- Firm's project staff, including principal, project manager
- Firm's primary consultants (if any)
- Owner/Client contact information
- PSC contact information

In addition to the above project specific information, the firm shall include a description of the deliverables that the firm provides at the end of the following phase(s) of the project:

- List Phases

Part C: Project Scope of Services and Organization

Section A:

Tab 1: Project organization during each phase

Tab 2: Detailed description of Consultant services including CCU adds text. Process and proposal includes all typical tasks such as CCU adds text to be executed in accordance with Illinois Procurement Law and University Policy.

Section B: Staffing

Tab 1: Comprehensive staffing matrix. Matrix shall include the names of all planned staff and indicate project hours for each month through the duration of the project for each staff member. Include all subconsultant(s), MBE/WBE/WMBE/PBE firm(s), and VOSB/SDVOSB certified by the Illinois Department of Central Management Services (CMS) Business Enterprise Program (BEP), and define the degree of work to which they will be used. Include a print version of MBE/WBE/WMBE/PBE vendor's and VOSB vendor's CMS BEP Vendor Directory results.

NOTE: MBE/WBE/WMBE/PBE goals and VOSB/SDVOSB goals are separate and distinct from workforce projections. The MBE/WBE/WMBE/PBE goal for this proposal is 20% of the Consultant's contract value. Provide in this tab MBE/WBE/WMBE/PBE participation as a % of total price, NOT the \$ value. The VOSB/SDVOSB goal for this proposal is 3% of the Consultant's contract value. Provide in this tab VOSB/SDVOSB participation as a % of total price, NOT the \$ value.

Tab 2: Resumes of staff that will be actively involved in the project by project phase including relevant project experience.

Section C: Consultant Agreement

Tab 1: Firm shall evaluate the proposed Consultant Agreement accompanying this RFP in Attachment A and specifically respond to the University regarding acceptance of the proposed Agreement. Firm shall indicate any sections that Firm cannot accept as written with justification.

Part D - The Sealed Compensation Proposal should be organized as follows:

Note: The sealed compensation proposal shall be clearly marked and sealed in a separate envelope and not mentioned anywhere else in the proposal package.

Tab 1: Staffing Matrix – Using the staffing matrix submitted in Part C above, assign the respective rates and indicate the total extended cost for each assigned individual.

Tab 2: Prepare a matrix indicating Consultant monthly total cost over the project duration that will be incurred. Include specific values of MBE/WBE/WMBE/PBE and VOSB/SDVOSB subconsultant's participation by month and for total project.

Tab 3: Compensation Proposal Summary – Itemize the total project compensation using the Fees Proposal Template shown in Attachment B. **Construction Manager shall provide Builders Risk insurance for this project.**

Proposals review process for Parts A, B, C and D:

Using the evaluation criteria stated in this RFP, the University will review and rank the qualifications of the firms who submit and render a decision regarding which Consulting firms (more than 1) will move to a discussion phase. After discussions are completed, pricing proposals from all initial proposers will be opened and tabulated. Pricing negotiations will begin with the highest ranked firm(s) from discussions to ultimately award a single contract.

Proposers should note this RFP will be an expedited process and the selected firms that will move on to the discussion phase will be allowed approximately 10 days to respond and be prepared for more detailed discussions.

The University may determine that the discussion phase is not necessary and select based on the initial evaluation.

Discussion process:

Firms may be requested to participate in a discussion meeting.

Firms that are selected to move to the discussion phase will be evaluated based on the following criteria listed in order of importance:

1. Response to questions shown in Attachment C. (If any additional questions are added to the questions shown in Attachment C based on proposal review, the revised questions will be sent to the vendor prior to the discussion meeting.)
2. Consultant's interaction with each other and the University.
3. Quality and content of discussion.

These discussion evaluation criteria will be used to score each selected firm to determine final rankings. Subsequent contract negotiations between the highest ranked firm and the Board of Trustees of the University of Illinois will be undertaken to ultimately reach an executed contract.

Post-Performance Review:

After final completion of services, but before final payment, the University will conduct a post-performance review of the Consultant services provided and this review will be made part of the procurement file.

The University of Illinois encourages diversity among its vendors, including the participation of firms and consultants owned by minorities, females and persons with disabilities. The University strives to meet voluntary contract goals established in the Business Enterprise for Minorities, Females and Persons with Disabilities Act (30 ILCS 575 et seq.) as well as subsequent adoption by the Business Enterprise Council. The University reserves the right to set separate contract goals on specific prime contracts with subcontracting possibilities based on the type of work or services or subcontractor availability.

Projected percentage of work for Consultant and Subconsultants stated will be the expected minimum percentage goal(s) utilized in final executed contract documents should the firm be selected.

If you have any questions or concerns regarding the agreement or policies, please call the contact person listed prior to the submittal due date.

PROTEST REVIEW OFFICE: Vendors may submit a written protest to the Protest Review Office following the requirements of the Higher Education Standard Procurement Rules 44 ILL.ADMIN.CODE 4.5550. For protests related to specifications, the Protest Review Office must physically receive the protest no later than 14 days after the solicitation or related addendum was posted to the Bulletin. For protests related to rejection of individual proposals or awards, the protest must be received by close of business no later than 14 days after the

protesting party knows or should have known of the facts giving rise to the protest. The Protest Review Office's information is as follows:

Chief Procurement Office
Attn: Protest Review Office
Suite 513 Stratton Office Building
401 South Spring Street
Springfield, IL 62706
Phone: (217) 558-1393
Facsimile: (217) 558-2164
Illinois Relay: (800) 526-0844

If the protest is submitted via e mail, it must be sent to the following email address:

EEE.LegalStaff@illinois.gov

Boilerplate approved as of 07/2019; any changes to boilerplate language must be pre-approved by the University Office of Capital Programs and Real Estate Services.

SAMPLE LETTER FOR DISCUSSION MEETING WAIVER

DATE

Mr. Mike Bass
Senior Associate Vice President of Business
and Finance & Deputy Comptroller
Suite 340 Illini Union Bookstore MC-309

Re: PROJECT

Dear Mr. Bass,

In accordance with the provisions within the *University of Illinois, Capital Professional Services RFP Selection Policy*, a waiver of the discussion meetings is possible for the following reasons:

- A. Familiarity by the campus construction unit of the short listed firms.
- B. One of the short listed firms is obviously most qualified for a specific project.
- C. Qualifications, workload distribution and MAFBE criteria position this firm to be at the highest ranking.

The evaluation committee has met on the above referenced project and makes the following recommendations in ranking order:

1. [FIRM NAME]
2. [FIRM NAME]
3. [FIRM NAME]

The committee feels that [FIRM NAME] meets criteria [LETTER DESIGNATION FROM ABOVE] as specified in the policy. The evaluation committee's evaluation finds [JUSTIFICATION].

Accordingly, your approval is requested to accept [FIRM NAME, CITY, STATE] as the recommended consultant without discussion meeting.

Sincerely,

Campus Construction Unit Director

SAMPLE LETTER – SELECTED TEAM FOR DISCUSSION MEETING

DATE

CONTACT

FIRM

ADDRESS

RE: Project

Dear MR./MS.:

Your team has been selected by the University to attend a discussion meeting for the professional architectural and engineering services required for this unique project.

A standard scope of services for the architect/engineer will be developed by the University for this project and will form the basis of the fee proposal.

Enclosed is the anticipated scope of the project. If there are other issues or aspects of the project that you feel should be included, we will be prepared to discuss those during the meeting.

In considering teams to be employed for this project, prior experience in the design and construction of similar projects, particularly the firm experience in developing feasibility studies for similar facilities is critical. Excellence in the architectural design of renovating existing facilities, including those demonstrating historical considerations is essential. A commitment to the project from a principal within the firm, and an organization of sufficient capacity to undertake such a project to meet the schedule developed by the University is also essential.

A meeting regarding this project has been scheduled at the UIC, UIUC, UIS campus in ROOM # of the BUILDING, DATE. Your meeting will begin at TIME.

The process will take approximately one hour and the focus of the meeting will be the responses to the questions prepared by the selection committee and given to the consultant. Key members of the team should be present at the meeting (e.g., principal-in-charge, project manager). The methodology and anticipated schedule for the project will also be discussed.

The agenda for the meeting is suggested to be as follows:

- Introduction and opening remarks University of Illinois (5 minutes)
- Consultant's responses to the prepared questions (45 minutes)
- Closing remarks by consultant (5 minutes)
- Closing remarks by University of Illinois (5 minutes)

The evaluation committee is comprised of individuals who will be involved during the entire course of the project and are as follows:

INSERT EVALUATION COMMITTEE

At the completion of the meetings, the committee will evaluate each firm based upon specific criteria that will assist in selecting an architect/engineer for this project. At that time, the firm selected will be requested to submit a fee proposal for the professionals services desired based on the negotiated scope of services agreed upon.

Should you wish to obtain any drawings or tour the **SITE** prior to your meeting please contact **CONTACT NAME AND PHONE**.

Pre Meeting and Site Visit ***(Optional) DATE, TIME, PLACE.***

By responding to the advertisement, the firm is assumed to comply with all statutory certifications and provisions and to accept the standard terms and conditions of the University of Illinois' standard Professional Services Agreement, Errors and Omissions Policy and Scope and Fee Negotiation Policy.

We look forward to meeting with your firm to discuss this project. If you have any questions or wish to discuss this project further, please call this office.

Sincerely,

Name
Chairperson of Evaluation Committee

Professional Service Consultants (PSC) Evaluation Process Overview

Summary

The University has a policy and process to help ensure that each Professional Services Consultant is evaluated during and/or at the end of each contract.

In addition, each evaluation should be made available to the PSC firm being evaluated who may provide a written response to the evaluation. *The evaluation and response shall not be made available to any other person or firm and is exempt from disclosure under the Freedom of Information Act.*

Process

1. Based on the type of contract, select the form(s) appropriate for the project type:
 - A. **Required** forms to be completed by policy and/or law:
 - 1). Standard contract: Construction Phase Evaluation at Substantial Completion. Standard contracts are those that use the PSA standard contract or PSA short form contract.
 - 2). Conceptualization contract: Conceptualization Phase (including feasibility and master plans) Evaluation at the completion of the contract.
 - 3). Retainer contract: Retainer Evaluation at the completion of the contract prior to possible renewal.
 - B. Optional forms to be completed as deemed necessary by the Project Manager:
 - 1). Standard contract: Design Phase Evaluation used at the end of SD, DD and/or CD.
 - 2). Standard contract: Pre Construction Phase Evaluation at the end of Bid and Award phase
 - 3). Standard contract: Post Construction Phase Evaluation used at the end of the warranty phase.
2. Based on size and complexity of the project, determine who will complete evaluations:
 - A. **Required** by policy:
 - 1). Project Manager. The Project Manager should determine if other project team members are needed to evaluate the PSC's performance. If others are requested to evaluate the PSC, the Project Manager should review those evaluations prior to completing his or her own. The Project Manager's evaluation will be sent to the PSC and should reflect the entire team's view of the project.
 - B. Optional – others who have had direct contact with the PSC or involvement in the design process as determined needed by the Project Manager, for example:
 - 1). Director.
 - 2). Plan reviewers/in-house professional staff.
 - 3). Client/future occupants of the facility.
 - 4). Planners.

3. Complete evaluation form either in Excel or print out and complete manually. The Excel form(s) will tabulate scores automatically. It is recommended that the form be filled out in Excel.
 - A. The quantitative measurements are numbers that are available in FCPWeb should be completed first. There are notes indicating where the values can be obtained within the evaluation form. The numbers should be obtained from these sources only to maintain consistency.
 - B. The quantitative measurements should be completed only by the Project Manager. These numbers should be filled in prior to sending the evaluations to other team member for completion.
4. Provide a copy of the completed evaluation form to the following:
 - A. Campus project file.
 - B. PSC firm being evaluated (*required* by statute).
 - 1). Only the evaluation form completed by the Project Manager should be sent to the PSC. The Project Manager should review and incorporate other team member evaluations into his or her evaluation.
 - 2). If the optional Design Evaluation form is being used, a meeting with the PSC would be an opportunity to review the evaluation and discuss performance issues. This could be helpful to improve the overall project.
 - C. PSC Evaluation Storage online. See the attached document for instructions on electronic file storage. Documents are stored electronically at UOCP&RES.
5. Complete the PSC Summary sheet located within the electronic file folder for each PSC firm, see attached document.
6. By statute, the PSC firm has an opportunity to provide a written response to the evaluation comments. If a response is received, a copy should be provided to:
 - A. Campus project file.
 - B. PSC Evaluation Storage online. The response from the PSC firm should be scanned and filed electronically. See the attached document for instructions on electronic file storage.
7. For each evaluation type, **the evaluation process shall be completed within 30 days of the end of the phase.** For example, the Pre-Construction phase evaluations shall be completed, filed and sent to the PSC being evaluated with 30 days of the project bid date.

QUALITATIVE MEASUREMENTS: ("To what level...")		Score
TECHNOLOGY (the impact of these items on construction):		
10	was a field investigation completed in a thorough fashion to minimize unknowns during construction?	
11	were the construction documents complete, coordinated with all disciplines and constructible? (quality of the documents)	
12	were the number of RFI's and Change Orders consistent with the project scope and complexity?	
13	did the document issued for construction clearly define the scope of work for each contractor/assigned subcontractor?	
CONSTRUCTION ADMINISTRATION/OBSERVATION:		
14	did the PSC provide a timely response to construction documentation, i.e. Requests for Information (RFI's), Request for Proposal/Change Orders (RFP's/CO's), etc.?	
15	did the PSC provide and accurately review construction documentation, i.e. Requests for Information (RFI's), Request for Proposal/Change Orders (RFP's/CO's), etc. prior to approval?	
16	did the PSC provide timely documentation of meetings and decisions?	
17	did the PSC complete submittal review in a timely manner?	
18	did the PSC review the contractor's pay requests and supporting documentation in a timely manner?	
19	did the PSC issue site inspection reports in the time frame established by contract?	
20	did the PSC work to resolve conflict in a timely manner?	
21	did the PSC provide a complete punch list?	
22	did the PSC follow-through with all closeout requirements for the project?	
PROJECT TEAM:		
23	did the PSC use the same personnel on the project that were submitted on the 255 form? If not, was the change communicated to and accepted by the Owner and beneficial to the project?	
24	did the PSC and consultants communicate and coordinate with the contractors?	
25	did the PSC and consultants communicate and coordinate with each other?	
26	did the PSC communicate effectively with the Owner?

PSC Evaluations – Electronic Storage Process

1. Initial set-up of the PSC Evaluations Storage (by AITS/UOCP&RES):
 - a. The individual file folders for the current PSCs with contracts (2007/2008) will be created and filed alphabetically.
 - b. Each PSC file folder will include an Excel summary sheet to tally the evaluation average score.
 - c. Each PSC file folder will include this document with instructions to create and file evaluations.
 - d. There will be a master file folder, X-MasterFolder, with blank Excel Summary file and a ReadMe file for reference.
2. Completed PSC Evaluations (by Campus Units):
 - a. Print or save the completed evaluation to pdf format. The naming convention is [ProjectNumber]-[#].pdf. The # will start at 1 and increase as additional evaluations or responses are added to the folder.
 - b. If printed, the evaluation will need to be scanned to create an electronic version.
 - c. “File” the pdf or scanned evaluation in the appropriate PSC folder.
 - d. Input the evaluation data into the PSC summary sheet. The totals will calculate automatically.
3. Responses from PSC firms.
 - a. If a response from the PSC is received, the original is filed in the project file and a copy is scanned and filed electronically with the evaluations for that project. The file naming convention is [ProjectNumber]-[#]R.pdf. The number should match the evaluation that the PSC is responding to and the R is to indicate that this is a response from the PSC.
4. Set-up for new PSC Files (by Campus Units):
 - a. Create a copy of the master file folder, X-MasterFolder.
 - b. Paste the folder into the correct alphabetical directory (A-D, E-I, J-R, S-Z).
 - c. Rename the copy of the master file with the PSC Company Name.
 - d. Rename the copy of the Excel file with the PSC Company Name. The naming convention is [PSCcompanyname]Summary.xls.
 - e. Open the Excel file and input the PSC name and location (city and state).
